## THE FOLLY AND AREA OUTSIDE VILLAGE HALL

- Parents of pre-school children wish to park for a short time when dropping or collecting;
- Older or disabled people wish to park outside the hall for up to two hours when using the hall for meetings or activities;
- Outside the hall, the Folly roadway is too narrow for a truck to pass if a car is parked fully on the roadway, damage to cars and property is not uncommon;
- If a car parks partially on the pavement there is not enough room for a pram or wheelchair;

Double yellow lines outside the Post Office from layby and round bend to Duke Street

Double yellow lines length of Haughley House opposite Village Hall and single yellow line along full length of road from the Vicarage to the turning left with restricted parking during the day only
