

HAUGHLEY PARISH COUNCIL

STAFF APPRAISAL POLICY & PROCEDURE

Adopted 15th December 2020

1. Policy Statement

It is our policy to maintain a meaningful and effective appraisal system that will monitor performance against responsibilities and provide an opportunity for each member of staff to have his or her performance reviewed. Performance Review must include agreed steps to improve performance where deemed necessary by the Council. The aim of Performance Review is to provide an effective and efficient service and a satisfactory working environment affording job satisfaction to all employees. Once an employee's probationary period is complete, they must continue to have the opportunity to discuss their performance at a Performance Review with their line manager (Appraiser). As a minimum this will happen annually.

Opportunities for continuing personal and professional development shall be ensured and advice and mentoring shall be offered as appropriate available and accessible to all. Any appraisal interview shall discuss and agree objectives for the coming period as well as reviewing performance to date and shall be the point at which training needs are identified and planned. Performance reviews will cover all aspects identified in their job descriptions.

NOTE: The Appraisal procedure is a developmental tool and is not part of the disciplinary process.
